

Blind Horizon confirmed at Agglutination Metal Festival 2013!

Tuesday, 12 March 2013 13:56

[Blind Horizon](#) will be opening at 2013 edition of the most important metal festival in Southern Italy, AGGLUTINATION! Here is what has just been published on [festival's official facebook page](#):

*"Once again **Agglutination** renewed collaboration with **Spider Rock Promotion** for the promotion of the festival. **BLIND HORIZON** will be the band who will represent the association in 2013: the Italian death progressive band has published their self produced EP '[Dissociated Knowledge](#)' and is recording their second studio album '**Koinè**', scheduled for spring 2013. Blind Horizon will be honoured to be among the opening acts of the festival, and will give its contribution for a destructive bill!"*

Agglutination Metal Festival 2013 will be held **on Saturday 10th August 2013** at Campo Sportivo in Chiaromonte (PZ), Italy. These are the confirmed bands right now:

Overkill (co-headliner)

Stratovarius
