

The [I Suffer Incorporated](#) announced the title and tracklisting of their comeback. The EP will be titled "Diagnostic and Statistical Manual of Me (n) this Disorders". These provisional titles of the songs that will make up:

1. Blasting Rodeo Drive
2. Do not Wanna Be Like Johnny
3. The Male Supremacy or How to subjugate a Woman in 10 Easy Steps
4. Total Eclipse Of The Heart (Bonnie Tyler cover)

The approach will be totally unconventional, irreverent, ironic lyrics and over the top will be a special element of this unique project that does contrast his trump card, proof of this is the choice to record a song clearly disturbing as The Evil Supremacy or How to subjugate a Woman in 10 Easy Steps followed by the cover of a love song, a ballad: Total Eclipse of the Heart by Bonnie Tyler.

As previously announced there will be excellent collaborations have already been confirmed, and several others there will be for the full length: Val Monteleone (former singer and now I Suffer Incorporated of Dying Diva) will lend his voice in Blasting Rodeo Drive, while Mauro Jasmine (ex Kingcrow) record some vocals on Do not Wanna Be Like Johnny and the cover of Bonnie Tyler, Total Eclipse of the Heart.

The EP will be printed but not distributed exclusively over the Internet through the most popular channels (iTunes, CDBaby, etc. ...) with the band through Spider Rock Promotion, has already reached agreements.
