

Ivory Moon: Updates on the work

Thursday, 12 November 2009 14:25

The [Ivory Moon](#) continues studio work.

Currently were recorded 9 of the 14 pieces which will form the pre-production of the disc. Among these will be selected the best 10-11 songs that will be part of the new job. The songs recorded so far are a mix of prog-metal symphonic, classic, gothic. Ivory Moon in the best traditions, which make up only giudati inspiration without feeling tied to pre-defined sounds and genres.

Some of the stocks that compose the album are: "*Merchant of Venice*", "*New World Order*" and "*Heroes*."
