

Ivory Moon: Apocalypse videoclip released

Saturday, 27 October 2012 15:57

[Ivory Moon](#) released a videoclip for the song "Apocalypse", taken from their last album "[Dark Time](#)", released last October 1st, 2012 through Spider Rock Promotion.

The song tells the story of the last man left on Earth: the planet survives the human being who becomes the victim of his own self-destructive force.

The video was recorded in an old abandoned paper mill by Daniel Quatrini's "LowBudgetMiracle", settled in Ronciglione, VT, Italy.
