

The new [Ivory Moon](#) album entitled "**Lunar Gateway**" will be available from **2 October** in digital version on all the main streaming and online purchase platforms.

Mastery in combining orchestral sounds and metal matrices: this is what awaits us with "Lunar Gateway".

Waiting for new updates, we begin to reveal to you both the tracklist of "Lunar Gateway" and the artwork, created by **Sergio Giardo**, designer of the science fiction comic series **Nathan Never Bonelli**.

Tracklist:

1. Human Greed
2. Here We Are
3. Man With a Face
4. Darkside-The Angel of the Night
5. Astaroth
6. Breath
7. Blood Vampire
8. Loch Ness - The Legend of the Lake
9. The Dominion Saga
10. The Game of Life

Finally, here's the official YouTube announce:
