Wednesday, 31 May 2017 10:55

Spider Rock Promotion is pleased to announce the beginning of the collaboration with [Malet Grace](#)!

Born in 2014, the band is offering its Metal with modern, scratchy sound, perfectly synthesized in their debut album "[Malsanity](#)", released worldwide on all digital stores on **May 26, 2017**. Although this is not a Spider Rock distribution, we believe these guys deserve more visibility, which will bring - at the end of the year - to a great Spider Rock surprise!

Soon you will be invaded by the power of **Malet Grace**! If you are a lover of sounds close to the first **Fates Warning, Metallica, Queensryche, Helloween, Megadeth** and **Metal Church**, **Malet Grace** will be an explosive mix and we strongly advise you not to miss it!
